### **Legacy Travel Now Offering Passport Photos**

*Plano-Area Travel Agency Offers \$5 Pictures*

**Who:** Legacy Travel, an independent travel agency serving the Plano area since 1989, is now offering an on-site passport photo service.

**What:** With passports becoming mandatory for all travel to the Caribbean, Central and South American on December 31, 2005, many North Texans will require pictures that meet the U.S. passport requirements.

Legacy Travel, to assist its customers, is offering five-dollar passport pictures, a fraction of the price of other retailers and governmental offices. The quick process allows customers to leave the travel agency with pictures in hand within five minutes.

**Where:** Legacy Travel is located at 2929 Custer Road, Suite 305, at W. Parker Boulevard.

**What Else:** Owned by Philip and Cathi Banks since 1989, Legacy Travel is one of the few remaining brick-and-mortar travel agencies, building a solid customer base due to their deep knowledge of North Texan preferred destinations and having the ability to create unique travel experiences for their customers.
