**CATHI BANKS, PLANO'S TRAVEL AGENT,
NOW A RECOGNIZED PHOTOGRAPHER**

"Boats in Vernazza" Wins Honorable Mention at State Fair of Texas

- Who:** Cathi Banks, owner of Legacy Travel with her husband Philip, has been helping Plano travelers plan the trip of their dreams since 1989. Knowledge of the world's top travel destinations is why Legacy Travel's customers return year after year. But Cathi's eye for detail has now rewarded her in another area. During a trip to Vernazza, Italy last October, Cathi took a picture she named "Boats in Vernazza" and she submitted it to this year's State Fair of Texas in the "Photography Waterscape/Scenic Color Adult Section."
- What:** Cathi's "Boats in Vernazza" earned her an Honorable Mention in the State Fair of Texas. This is the first photography award for the travel expert/budding photographer.
- Where:** Legacy Travel is located at 2929 Custer Road, Suite 305, at W. Parker Boulevard.
- What Else:** Owned by Philip and Cathi Banks since 1989, Legacy Travel is one of the few remaining brick-and-mortar travel agencies, building a solid customer base due to their deep knowledge of North Texans' preferred destinations and having the ability to create unique travel experiences for their customers.
